

# Merry, Merry Christmas

## New Kids on the Block

Peace to the world from the New Kids On The Block, we are here,  
We're spreading all our joy, spreading all our love and our cheers.  
Cheerful sleigh bells ring, choir children sing,  
It's peace and love and harmony we bring. Hail, merry Christmas, merry, merry Christmas  
To all our sisters and brothers  
Hail, merry Christmas, merry, merry Christmas  
Let all of the world join our hands. There's a feeling in the air, it's beginning to look like Christmas everywhere.  
Hear the gentle sounds of the snowflakes trickle down without a care.  
People stop and stare, the Christmas tree is there,  
A star on top which nothing can't compare. Hail, merry Christmas, merry, merry Christmas  
It's all about peace and understanding  
Hail, merry Christmas, merry, merry Christmas  
Let all of the world lend a hand
