

# Desecrators Of The New Age

## Destruction

This patriotic picture seems to be so real  
Saviors fighting for the real big deal  
Imposing heroes rescuing our holy planet  
Illusive wartime propaganda gadget?  
Freedom denied  
Campaign of pride  
Paragons made on the screen  
Bloody war regime  
Frustrating to foresee  
Deceiving gutter policy  
Spreading hate and rage  
Desecrators of the new age  
All they do mis fucking betray  
Submission is all they can pray  
Heroes of the front page  
Desecrators of the new age  
Nice entertainment is all you can you say?  
This blood and sorrow is not a world play
