

Sucker Punch

OneRepublic

Push and pull me closer
Habit forming, you should stay far away
Colored caffeine, magic
Lights my night I'm aware of my face, it's too late
After all is said and done,
I am not the one,
I am not the one.
After all is said and done,
You are still the one,
You are still the one.
(Ooh) Perfect measured pieces,
Fit together you and I,
Hey bright eyes.
Don't deny my weakness,
You're the jaded,
I'm the strength right behind you
Behind you
After all is said and done,
I am not the one,
I am not the one.
After all is said and done,
You are still the one,
You are still the one.
(Ooh, ooh ooh)
(Whoa, ooh ooh) After all is said and done,
I am not the one,
I am not the one.
After all is said and done,
You are still the one,
You are still the one.
(Oh, ooh ooh)
(Oh, ooh ooh)
Ooh, ooh
