Everything's Good

Lene Marlin

You kiss my lips
And say goodnight
You take my hand
Turn of the light
I hear you breath
I love that sound
I feel soo safe with you around

And I never tought I'd feel it
Never tought I'd see it
Wanna be much better than before
I was thinking I deserve this
Always I deserve this
Well I just don't do that anymore

I watch you sleep
I sometimes do
I close my eyes
and think of you
I fall asleep
You're still with me
I feel as great as I can be

And I never tought I'd feel it
Never tought I'd see it
Wanna be much better than before
I was thinking I deserve this
Always I deserve this
Well I just don't do that anymore (x3)
