Heartfelt

I watch them all pass by
The moon & the stars
Let me hold you in my arms, forever more
These cold nights, the park is ours
Standing, by the side
Let you go, oh to the sea, just for meDon't let me lose my life
Keep holding on
Let the modest go
As my mic goes to and from
Waking up for one more showWe see him in the night
Tell him I'm not afraid of him
I'm not afraid of them
'Cause I won't know
