

**urn**

**Heartfelt**

I watch them all pass by  
The moon & the stars  
Let me hold you in my arms, forever more  
These cold nights, the park is ours  
Standing, by the side  
Let you go, oh to the sea, just for me Don't let me lose my life  
Keep holding on  
Let the modest go  
As my mic goes to and from  
Waking up for one more show We see him in the night  
Tell him I'm not afraid of him  
I'm not afraid of them  
'Cause I won't know
