Yeaahhhhh

Yeaahhhhh

I'm having another bad day
It's been raining since my mate ran away
She shot back I wouldn't take the time to change
And I held back, I couldn't make the grade anyway

I'm having another bad day ay ay
It's been raining since my mate ran away
She broke down, she couldn't take the time to fake
And she collapsed, she couldn't make him see her Pain ain ain

I'm havin another bad day
It's been rainin since my mate ran away
I'm having another bad day
It's been rainin since my mate ran away
I'm having another
