

# Our God (Acoustic)

[\*\*Chris Tomlin\*\*](#)

Water You turned into wine  
Opened the eyes of the blind  
there's no one like you  
None like you  
Into the darkness You shine  
Out of the ashes we rise  
There's No one like you  
None like youOur God is greater, our God is stronger  
God You are higher than any other  
Our God is Healer, awesome in power  
Our God, Our GodInto the darkness you shining  
Out of the ashes we Rise  
No one like you  
None like youOur God is greater, our God is stronger  
God You are higher than any other  
Our God is Healer, awesome in power  
Our God, Our God  
Our God is greater, our God is stronger  
God You are higher than any other  
Our God is Healer, awesome in power  
Our God, Our GodAnd if Our God is for us, then who could ever stop us  
And if our God is with us, then what can stand against?  
And if Our God is for us, then who could ever stop us  
And if our God is with us, then what can stand against?  
Then what can stand against?Our God is greater, our God is stronger  
God You are higher than any other  
Our God is Healer, awesome in power  
Our God, Our God  
Our God is greater, our God is stronger  
God You are higher than any other  
Our God is Healer, awesome in power  
Our God, Our GodAnd if Our God is for us, then who could ever stop us  
And if our God is with us, then what can stand against?  
And if Our God is for us, then who could ever stop us  
And if our God is with us, then what can stand against?  
Then what can stand against?  
Then what can stand against?
