Last Leaf

Joan Baez

I'm the last leaf on the tree
The autumn took the rest
But they won't take me
I'm the last leaf on the treeWhen the autumn wind blows
They're already gone
They flutter to the ground
Cause they can't hang on
There's nothing in the world
That I ain't seen
I greet all the new ones that are coming in greenI'm the last leaf on the tree
The autumn took the rest but they won't take me
I'm the last leaf on the tree
They say I got staying power
Here on the tree
I've been here since Eisenhower
And I've out lived even heI'm the last leaf on the tree
The autumn took the rest but they won't take me
I'm the last leaf on the treeI fight off the snow
I fight off the hail
Nothing makes me go
I'm like some vestigial tail
I'll be here through eternity
If you want to know how long
If they cut down this tree
I'll show up in a song
I'm the last leaf on the tree
The autumn took the rest but they won't take me
I'm the last leaf on the tree
I'm the last leaf on the tree
I'm the last leaf on the tree
