Scar (Bronze Medallists Remix)

Lucy Rose

If I were brave enough to
Ask you to stay
Would that scar upon your lip
Move and come my wayWatch your eyes change from
Blue and back to green
Something deep inside of me is
Telling me to leave
Cause I don't want to have to let you goLet this part of me
Remember how lovely we were, we wereIf you saw in my mind
How I felt
You would hold me tight
And ask nothing elseI want you but I hate to say those words
But here I am
Standing right in front of you
Asking for a hand
Cause I don't want to have to let you goLet this part of me
Remember how lovely we were, we wereIf I don't get out
If I don't get out
If I don't get out
I have to leave somehow
And I'll never leave this townHelp me with all this
Help me with all this
Help me with all this
Help meYou said you would be waiting
You said you would be waiting
You said you would be waiting
You said you would be waiting for me
