

Hypocrates

Marina and The Diamonds

You're the lonely, one and only
Body in the world
Who can make me
Who can break me
down into a young girlYou say the love is not that easy
And that's the lesson that you teach me
So hypocritical, overly cynical
I'm sick and tired of all your preachingWho-ooh-ooh are you ooh-ooh
To tell me, tell me
Who-ooh-ooh to ooh-ooh, to be, to beYou're my last bone of contention
Who could break at any mention
You're the last wall that will stand tall
'Til the end of the worldI know you only, want to own me,
And that's the kind of love you show me
You tell me one thing and do another
Keep all your secrets undercoverWho-ooh-ooh are you ooh-ooh
To tell me, tell me
Who-ooh-ooh to ooh-ooh, to be
Yeah you let, you let go
Yeah you let, you let go
Yeah you let, you let go
Of meYeah, you played the martyr for so long
Yeah, you can't do anything wrongWho-ooh-ooh are you ooh-ooh
To tell me, tell me
Who-ooh-ooh to ooh-ooh, to be, to be
Yeah you let, you let go
Yeah you let, you let go
Yeah you let, you let go
Of me
