

Move To Memphis (Extended Mix)

[a-ha](#)

Walked around no one around
You were the one who taught me better
This old town brings me down
You were the one who told me you've got to
Move to Memphis
That's what I'll do
Move to Memphis and follow you
Trace that highway down to your doorway
Move to Memphis and be with you On the day you walked away
I was the one who said
You'd better stick around stay in town
You were the one who told me you've got to
Move to Memphis
That's what I'll do
Chase the shadow that follows you
Trace that highway down to your doorway
Move to Memphis and be with you That's what I'll do
Move to Memphis to be with you
I'm gonna be with you
