

# At My Window Sad and Lonely

**Billy Bragg & Wilco**

At my window, sad and lonely  
Oft' times do I think of thee  
Sad and lonely and I wonder  
Do you ever think of me? Every day is sad and lonely  
And every night is sad and blue  
Do you ever think of me my darling?  
As you sail that ocean blue At my window, sad and lonely  
I stand and look across the sea  
And I sad and lonely wonder  
Do you ever think of me? Will you find another sweetheart?  
In some far and distant land  
Sad and lonely now I wonder  
If our boat will ever land Ships may ply the stormy ocean  
And planes may fly the stormy sky  
I'm sad and lonely but remember  
Oh, I'll love you till I die
