Shoelaces

Nikki Leonti

I'm falling down over my own shoelaces
Trying to run with the crowd
I'm head over heels in the wrong direction
Until nowYeah, well, I'm thinkin about it here's what I see
Somehow there seems to be two of me
The one in the mirror
And one that's been redeemedCHORUS
Liberate my heart
Emancipate my soul
Forgive the sin in me
And make me wholeEvery now and then I go through phases
But I'm like a bird flying free
Then all of a sudden the old man awakens
And captures me
and then the good that I would
Is not what I do
When goodness is with me
Evil is too
So I come to you, Father, God, asking this of youREPEAT CHORUSREPEAT CHORUSI'm fallin down over my own shoelaces
