

# Shoelaces

Nikki Leonti

I'm falling down over my own shoelaces  
Trying to run with the crowd  
I'm head over heels in the wrong direction  
Until nowYeah, well, I'm thinkin about it here's what I see  
Somehow there seems to be two of me  
The one in the mirror  
And one that's been redeemedCHORUS  
Liberate my heart  
Emancipate my soul  
Forgive the sin in me  
And make me wholeEvery now and then I go through phases  
But I'm like a bird flying free  
Then all of a sudden the old man awakens  
And captures me  
and then the good that I would  
Is not what I do  
When goodness is with me  
Evil is too  
So I come to you, Father, God, asking this of youREPEAT CHORUSREPEAT CHORUSI'm fallin down over  
my own shoelaces
