

# I'm Not Lisa

Marianne Faithfull

I'm not Lisa  
My name is Julie  
Lisa left you  
Years agoMy eyes are not blue  
But mine won't leave you  
Till the sunlight  
Has touched your faceShe was your morning light  
Her smile told of no night  
Your love for her grew  
With each rising sunAnd then one winter day  
His hand laid her away  
She left you here  
Drowning in your tearsHere, where you've stayed for years  
Crying, "Lisa, Lisa"I'm not Lisa  
My name is Julie  
Lisa left you  
Years agoMy eyes are not blue  
But mine won't leave you  
Till the sunlight  
Shines through your faceI'm not Lisa
