

Dawn Breaks Through

The Barrier

Aaaaah Aaaaah Aaaaah

As I look across the sea
the dawn is breaking out all around me
ships are sailing, the birds are flying
Chimneys smoking, girls are even crying

The lighthouse blinking, sun shines down
The roads are crooked, waves are all around me

Aaaaah Aaaaah Aaaaah

Guitar Break

Aaaaah Aaaaah Aaaaah

The rough waves beating, fish jump there
the louse* are crawling I-I don't care
Dawn breaks through the trees at three
on the beach there you'll find me

Aaaaah Aaaaah Aaaaah
Aaaaah Aaaaah Aaaaah....

*Unsure
