Wastin' Time

Peter Wolf

Come here, baby
I'm going down slow
Coming up with nothing, girl
I got nothing to show
And if feels like, I'm wastin' my timeHanging 'round the station
Another empty track
Waiting for a slow train, baby
That's never coming back
And it feels like, I'm wastin' time
And it feels like, I'm wastin' my timeTrapped on a sinking ship
Tied to the mast
The ocean's deep
And the tides change fast
Oh baby, how long can this last?Minutes turn to hours
Hours turn to days
Lie down close with me, baby
Soething I got to say
It don't seem like nothing, girl
Is ever going my way
And it feels like, I'm wastin' my time
And it feels like, I'm wastin' my time
