

# Wastin' Time

Peter Wolf

Come here, baby  
I'm going down slow  
Coming up with nothing, girl  
I got nothing to show  
And it feels like, I'm wastin' my time Hanging 'round the station  
Another empty track  
Waiting for a slow train, baby  
That's never coming back  
And it feels like, I'm wastin' time  
And it feels like, I'm wastin' my time Trapped on a sinking ship  
Tied to the mast  
The ocean's deep  
And the tides change fast  
Oh baby, how long can this last? Minutes turn to hours  
Hours turn to days  
Lie down close with me, baby  
Something I got to say  
It don't seem like nothing, girl  
Is ever going my way  
And it feels like, I'm wastin' my time  
And it feels like, I'm wastin' my time
