Beautiful Girl

Poe

Someone's gotta hear thisBeautiful girl
You must've been a beautiful baby too
Beautiful woman
You must've had your moments inside the sun
Beautiful girlBeautiful stranger
Why do you have to walk with your head hung low?
Beautiful girlYour eyes are mockingbirds inside a gilded cage
Your life's a silent movie that I haven't even heard for ages
Tell me everything, someone's gotta hear this
Beautiful thingBeautiful mother, frozen in ice
I've waiting for you to grow up for my whole life
Beautiful girlYour eyes are mockingbirds inside a gilded cage
Your life's a silent movie that I haven't even heard for ages
Tell me everything, someone's gotta hear this
Beautiful thingSo beautiful, beautiful
So beautiful, so
