Kevin

Cheetoluver606 & Hanhaa Versmon

(I am Hanhaa Versmon, the co-writer of This Started as a Joke" and all of their music, so don't take too much time to verify this. We have very screwed up lyrics.)

We dem boyz!
We out here, in the suburbs
with Kevin Harter!
Yeah, okay, break it down now!
Kevin Harter! Why didn't you say it, ugly?
Okay, ready?
Kevin Harter (x26)
Harter Kevin
Harter comma Kevin
Kevin Harter (16)
Kevin is my neighbor!
Kevin is my lover!
Kevin keeps me 'heppy'
Kevin keeps me warm!
They call me mrs. Harter
Because I'm married to kevin
and we will not farter
because kevin does not like that
and kevin is great
and kevin is my boo
kevin is our boo thang!
Kevin is my penis.
Kevin is my life.
Kevin is the only reason I'm alive. I'm making this song for the person that kept me alive.
Kevin called us psycho
but he knows deep down that he loves us.
Yeah, he loves us
Yeah
Yeah
Yeah
Okay
We Slay
Break it down now
DUHHH DUUHHHH
Yeah
