

Let's Make Rock

Dream Evil

Can you feel it? It's in the air tonight
Can you touch it? Makes you feel alright
Feel the power, let me see your hands
Please come closer even closer

Now let's break down the fenceLet's go crazy we won't stop until we make you go wild
Don't be lazy altogether now stand up and shoutLet's make rock

What are you waiting for
Lets make rock
I gonna give you moreI can feel it! Its everywhere tonight
I can touch it! Such a great delight
I'm on fire! Feel the temperature rise
Take me higher so much higher

Se the burning flames in your eyesLet's go crazy we won't stop until we make you go wild
Don't be lazy altogether now stand up and shoutLet's make rock

What are you waiting for'
Let's make rock
We gonna give you moreHarder than heavy in the night
We gonna rock you till the morning lightLet's make rock
What are you waiting for'
Let's make rock
We gonna give you more
Let's make rock
What are you waiting for'
Let's make rock
We gonna give you more
