

# The Last In Line

Dio

We're the ship without a storm  
The cold without the warm  
Light inside the darkness  
That it needs, yeah We're a laugh without tear  
The hope without the fear  
We are coming, home We're off to the witch  
We may never, never, never, come home  
But the magic that we'll feel  
Is worth the lifetime We're all born upon the cross  
We're the throw before the toss  
You can release yourself  
But the only way is down We don't come alone  
We are fire, we are stone  
We're the hand that writes  
Then quickly moves away We'll know for the first time  
If we're evil or divine  
We're the last in line, yeah  
We're the last in line Two eyes from the east  
It's the angel or the beast  
And the answer lies  
Between the good and bad We search for the truth  
We could die upon the tooth  
But the thrill of just the chase  
Is worth the pain We'll know for the first time  
If we're evil or divine  
We're the last in line, yeah  
We're the last in line, oh Yeah, we're off to the witch  
We may never, never, never come home  
But the magic that we'll feel  
It worth a lifetime We're all born upon the cross  
You know we're the throw before the toss  
You can release yourself  
But the only way to go is down We'll know for the first time  
If we're evil or divine  
We're the last in line, oh  
We're the last in line  
See how we'll shine We're the last in  
We're the last in  
We're the last in

We're the last in  
We're the last in  
We're the last in line, oh We're a ship without a storm  
We're the cold inside the warm  
We're the laugh without tear  
We're the smile without the mirror We're the last in line  
We're the last in line  
We're the last in line  
See how we'll shine  
We're the last in line
