

She Cries

C21

I've been trying to believe
I've been trying but it's over
She's been hoping for
that you will find your love again
I'm flying paperplanes
With all the letters she writes
Why don't you realize now
That everytime you break it
She cries
Haven't been around to see her
All night
Haven't been around to hold her
I try but she cries
Haven't been around to tell her
That i try the best that i can
Words dont change the way i feel
Dont deny it to be better
Shes been cloce to me
And i dont wanna lose a friend
I've been looking for a way
To say im sorry
She's been waiting for you
But everytime your gone
She cries
Haven't been around to see her
All night
Haven't been around to hold her
I try but she cries
Haven't been around to tell her
That i try the best that i can
You dont wanna make it stop
I think i have seen enough
Things have just been way to rough
Tired of the same old bluff
I dont wanna make you cry
I just wanna say goodbye
I dont need your seek and hide
Living on the same old lie
She cries
Haven't been around to see her
All night
Haven't been around to hold her
I try but she cries
Haven't been around to tell her
That i try the best that i can
