

Another Reason To Go

Vetiver

No good job
No good town
No roots planting you down
Why be lost when you could be found
By another reason to go
City lights
So brightly blind
Like a low lay
Look your mind
Stir crazy to the day you find there
Another reason to go
Open eyes mean closing doors
Wonder what they're waiting for
I was waiting but I ain't no more
Found another reason to go
Your heart headed at me
Don't give up easily
When I look back all I see
Is another reason to go
Come near or far
No matter where you are
There's a light that surrounds you
