# Unholy

## Ostblockschlampen

I was there through the ages, chained slaves to their cages
I have seen you eat your own
I'm the cycle of pain, of a thousand year old reign
I'm suicide and salvation, the omen to nations
That you worship on all fours
I'm the infection and famine, that's knockin' at your door
That's why you're feeling so
Unholy
Yeah, I was created by man, you know I'm
Unholy
Yeah, yeah, yeah, yeah
I am the incubus, I lay the egg in you
The worm that burrows through your brain
But you are the beast, that calls me by my name
You send your children to war
To serve bastards and whores
So now you know
You created me on the day that you were born
Unholy
Yeah, I was created by man, you know I'm
Unholy
From the left hand of power comes the father of lies, yeah
Unholy, unholy
I lay you down to sleep, your soul to keep
Better cross your heart before you die
Now you know, know that you are mine
That's why you're feeling so
Unholy, unholy, unholy, unholy
