Go Harder

JLS

I sent a dozen roses,
She says she doesn't want them,
Said all she wants is my time,
My time now.I make a reservation,
There's always complication,
'Cos i keep missing my flight,
My flight now.She loves me,
But she's lonely,
And there's only so much she can take now.
Made a promise,
To be honest,
And I want this, I want this to work out.I'll do anything to make this work,
I said na na na na na na na na,
I'll do anything to make this work,
I go harder,
I go harder baby.Said put your hands in the air,
And leave them up there,
If you really believe in love.
I'll do anything to make this work,
I go harder,
I go harder baby.I try to send her shopping,
She doesn't buy distractions,
It's like my platinum declined,
Declined now.I think she's started doubting,
I bet her mood is mountained,
I got her in bad times,
Bad times now.Said she loves me,
But she's lonely,
And there's only so much she can take now.
Made a promise to be honest,
And I want this,
I want this to work out.I'll do anything to make this work,
I said na na na na na na na na,
I'll do anything to make this work,
I go harder,
I go harder baby.Said put your hands in the air,
And leave them up there,
If you really believe in love.
I'll do anything to make this work,

I go harder,
I go harder baby.S.O.S. is all that I need.
S.O.S is all that I need,
So I gotta go harder now.
S.O.S. is all that I need.
So I gotta go harder now.I'll do anything to make this work,
I go harder.I'll do anything to make this work,
I said na na na na na na na na,
I'll do anything to make this work,
I go harder,
I go harder baby.Said put your hands in the air,
And leave them up there,
If you really believe in love.
I'll do anything to make this work,
I go harder,
I go harder baby.I'm coming,
I'm coming home,
Cos I really gotta see you tonight.
I'm coming,
I'm coming home,
Cos I really gotta see you tonight.I'm coming,
I'm coming home,
Cos I really wanna see you tonight.
