

# All of My Life

Mario Biondi

Everybody is looking for something in their dreams  
Everybody is looking for a melody to sing  
Everybody is looking for someone as complete  
Everybody is looking for an angel still unseen  
Is anybody ready for the common ... love?  
For you and me  
Is anybody listening to the same voice that I feel inside of me?  
You and me  
Is anybody praying for an answer and  
nobody hears?  
Listen to the words I sing to you  
All of my life I've been waiting for you  
Something supernatural and true  
All of my dreams  
I suddenly fulfilled you're a special lady made for me (Don't give up  
La la la la la la la) x4  
Everybody is looking for rhythm without blues  
Everybody is looking for rumors without muse  
Everybody is looking for someone that is never changing moods  
Everybody is waiting for the first to make the move  
Has anybody had to be the hero of the story still untold?  
Has anybody waited for a stranger  
That comes knocking at your door  
(...)  
All of my life I've been waiting for you  
Something supernatural and true  
All of my dreams  
I suddenly fulfilled you're a special lady made for me (Don't give up  
La la la la la la la) x4
