

# You Got What It Takes

## Showaddywaddy

You don't drive a big fast caryou don't look like a movie star  
and on your money we won't get far.But Baby yeah  
yeah  
you got what it takes to satisfy  
you got what it takes to set my soul on fire  
whoa oh yea - you got what it takes for me.Now you don't live in a beautiful placenow you don't dress in the  
best of taste  
and nature didn't give you such a beautiful face.But Baby yeah  
yeah  
you got what it takes to satisfy  
you got what it takes to set my soul on fire  
whoa oh yea - you got what it takes for me.Now when you're near me  
oeee - my head goes around and around  
now when you kiss me  
oeee - my love comes tumbling down.  
Well  
you send me  
and you don't drive a big fast caryou don't look like a movie star  
and on your money we won't get far.But Baby yeah  
yeah  
you got what it takes to satisfy  
you got what it takes to set my soul on fire  
whoa oh yea - you got what it takes for me.Now when you're near me  
oeee - my head goes around and around  
now when you kiss me  
oeee - my love comes tumbling down.  
Well  
you send me  
now you don't live in a beautiful place  
now you don't dress in the best of taste  
and nature didn't give such a beautiful face.Now when you're near me  
oeee - my head goes around and around  
now when you kiss me  
oeee - my love comes tumbling down.  
Well  
you send meOh yeah - you got what it takes for me  
that's right - you got what it takes for me.
