

The Unseen

Partners In Rhyme

Chorus: [Tommy]

We are, we are

What you wanna be

And we are, we are

The ones unseenVerse 1: [Tommy]

Underground, we're still uncrowned

Below the streets, can't hear a sound

But I'm screaming loud, I can't get out

Please God, someone, get me out

And I can see, but you can't see me

That's why I scream, that's why I sing

So you can hear what you can't see

So you can hear the ones unseen

I tore my heart out just to see it beat in my hand and watch it bleed

Looking to the sky, I fall to my knees

Praying to a god that we can't see

You don't always have to see to believe

Just gotta have faith, believe in me

But you can't blame us

It's what the fame does

You turn into a monster when you're famousChorus: [Tommy]

We are, we are

What you wanna be

And we are, we are

The ones unseen

We are, we are

What you wanna be

We are, we are

The ones unseenVerse 2: [Joe]

And it seems,

that this world's being taken over by some non-human being

Maybe it's these words that we're reading

through all this music that the fame keeps preaching

Listen to my words and prepare for the healing

But all I hear is a demon speaking

and all these children's lives are up for stealing

and now their brains are warped

We tried to help and we tried to warn

We screamed and yelled, scared off the storm

Reached up from the dirt
My chest bleeds and my lungs hurt
But now we have arisen,
We are here for the sins unforgiven
We've come together to ruin your plans,
You better run while you're given the chance

Chorus: [Tommy]

We are, we are
What you wanna be
And we are, we are
The ones unseen
We are, we are
What you wanna be
We are, we are
The ones unseen

Bridge: [Alex Leinicke]

We are what you wanna be!
We are the ones unseen!
We are! We are! We are! Unseen!
We are! We are! We are! The unseen!

Bridge: [Tommy & Joe]

6 feet under I rise from the dirt,
screaming my lungs out but can't be heard
The coffins open, the corpses burn
As the angels sing the devils words

Chorus: [Tommy]

We are, we are
What you wanna be
And we are, we are
The ones unseen
We are, we are
