Diane

Therapy?

Hey little girl wanna go for a ride?
There's room and my wagon is parked right outside
We can cruise down Rober Street all night long
But I think I'll just rape you and kill you insteadDie Ann, Die Ann, Die Ann, Die Ann, Die Ann, Die Ann
(Diane, Diane, Diane, Diane)I hear there's a party at Lake Cove
It'll be much easier if I drove
We could check it out, we can go and see
Come on take a ride with meDie Ann, Die Ann, Die Ann, Die Ann, Die Ann, Die Ann
(Diane, Diane, Diane, Diane)Lay down together for a while
I'll put all your clothes in a nice neat little pile
You're the cutest girl I've ever seen in my life
But it's over now with my knifeDie Ann, Die Ann, Die Ann, Die Ann, Die Ann, Die Ann
(Diane, Diane, Diane, Diane)
Die Ann, Die Ann, Die Ann, Die Ann, Die Ann, Die Ann
(Diane, Diane, Diane, Diane)
