Tomorrow Never Comes

Ruby the Hatchet

Look to the Sky, my love
I see Tomorrow
There is a Hangman on the Rise
You won't need anyone
Except for me now...
That [?] gonna find
Speak to the Wind, young one
I'm here Tomorrow
Time abandons your Side
You won't need anything
Except for my Love
All beauty must die
Don't wait...
No don't wait on Tomorrow
Tomorrow never comes!
Oh no... no!
Don't wait...
No don't wait on Tomorrow
'Cause Tomorrow never comes!
Leave with the Dark my Love
They say Tomorrow...
I'm closing your Eyes
You won't see anything
Except for Darkness
And Rivers run dry
I'll be your Queen
You'll come to me
I'll end your Life by the [?]
All Soil in Mud,
Fire and Blood
Let Dark stand over your Pain!
Don't wait...
No don't wait on Tomorrow
Tomorrow never comes!
Oh no... no!
Don't wait... Oh no...
Don't wait on Tomorrow
'Cause Tomorrow never comes!
