

# Stars Fell On Alabama

Ella Fitzgerald & Louis Armstrong

We lived our little drama  
We kissed in a field of white  
And stars fell on Alabama  
Last night  
I can't forget the glamor  
Your eyes held a tender light  
While stars fell on Alabama  
Last night  
I never planned in my imagination  
A situation so heavenly  
A fairy land where no one else could enter  
And in the center just you and me  
My heart beat like a hammer  
My arms wound around you tight  
And stars fell on Alabama  
Last night

We lived our drama  
We kissed in a field of white  
And stars fell on Alabama  
Last night  
I can't forget the glamor  
Your eyes held a tender light  
And stars fractured 'Bama  
Last night  
I never planned in my imagination  
A situation so heavenly  
A fairy land where no one else could enter  
And in the center just you and me  
My heart beat just like a hammer  
Arms wound around you tight  
While stars fell on Alabama  
Last night
