

Ego Music

Pet Shop Boys

Ego music, it's all about me

Ego music, it's all about me

Me, me, me, me

Yes, yes, yes, yes

You, you, you, you

No, no, no, no

Ego music, it's all about me

Me, me, me, me

Yes, yes, yes, yes

You, you, you, you

No, no, no, no

Ego music, it's all about meEgo music, it's all about

Sense of venta climent

Sense of venta climent

Ego music, it's all about

Sense of venta climent

Sense of venta climentI see myself as a building

My mind is the office where the world gets done

There's a nightclub in the basement when I need some fun

And in the penthouse later, that's where the magic happensMe, me, me, me

Yes, yes, yes, yes

You, you, you, you

No, no, no, no

Ego music, it's all about meThere's a real purity to my work

A childish innocence

But I'm also smart and sophisticated

I mean I grow on the street

Sometimes I think I'm a simple folk

Other times a scary witch diva

What can I tell you, I'm an artist

And of course I always had the

Humanitarian vision

I think everyone knows that

My commitment is to my carrer

And then giving something backEgo music, it's all about me

Vacuum slogans

And up your sentiments

Ego music, it's all about me

Fake humility,

Stand tall than tight garments
Ego music, it's all about me
I am my own demographic
What does that say about me
Ego music, it's all about meMe, me, me, me
Yes, yes, yes, yes
You, you, you, you
No, no, no, no
Ego music, it's all about me
Me, me, me, me
Yes, yes, yes, yes
You, you, you, you
No, no, no, no
Ego music, it's all about meI think what fastinates people about me
And I'm really grateful to my fans
Is that I'm totally fearless
And people really get that
In the sea of negativity
I'm statue of liberty
That's why people love me
It's humbling
