

She's About A Mover

Steve Earle

She was walkin' down the street
Lookin' fine as she could be, hey, hey
She was walkin' down the street
She's lookin' fine as she could be, hey, hey
You know I love you, baby
Oh hear what I say, hey, hey
She walked right up to me
Said, "Hey, big boy, what's your name?"
She walked right up to me
Said, "Hey, big boy, what's your name?"
Hey, hey
We had love and conversation
Oh yeah, what I say, hey hey
She's about a mover
She's about a mover
She's about a mover
She's about a mover
Hey, hey
She's about a mover
She's about a mover
You know I love you, baby
Oh yeah, what I say, yeah, hey
Now, she walked right up to me, talkin' about me
She said, "Hey, big boy, what's your name?"
Well, she walked right up to me
Said, "Hey, big boy, what's your name?"
We had love and conversation
Oh yeah, what I say, hey hey
She's about a mover
She's about a mover
She's about a mover
She's about a mover
Hey, hey
She's about a mover
She's about a mover
She's about a mover
She's about a mover
Hey hey
