Runnin' from the Law

L7

Playing rock and roll
On a Friday night
A noise complaint
Turned into a fightThe neighbors were loud
It disturbed our crowd
We played some more
And they stormed the doorWe didn't do nothing
Hey, hey, hey
But now we're running
And hidingCops got on stage
And they pulled my hair
Kicked 'em in the balls
How nice it was thenThe fans in mind
It shows how they find
You can call me a tramp
Don't unplug my ampWe didn't do nothin'
Hey, hey, hey
But now we're runnin'
And hidin'Runnin' from the law
Runnin'
Runnin' from the lawWe didn't do nothin'
Hey, hey, hey
But now we're runnin'
And hidin'Runnin' from the law
Runnin'
Runnin' from the lawPlaying rock and roll
On a Friday night
A noise complaint
Turned into a fightThe neighbors were loud
It disturbed our crowd
We played some more
And they stormed the doorWe didn't do nothing
Hey, hey, hey
But now we're running
And hidingRunnin'
Runnin' from the law
Runnin'
Runnin' from the lawRunnin' from the law
Runnin' from the

Runnin' from the
Runnin' from the law, yeah
