Cooler Than Me (Boson Remix) [Dubstep]

Mike Posner

If I could write you a song to make you fall in love
I would already have you up under my arm
I used up all my tricks, I hope that you like this
But, you probably won't, you think you're cooler than me
You got designer shades just to hide your face
And you wear 'em around like you're cooler than me
And you never say hey, or remember my name
And it's probably 'cause you think you're cooler than meYou got your high brow, shoes on your feet
And you wear 'em around like it ain't shit
But you don't know the way that you look
When your steps make that much noiseShh, I got you all figured out
You need everyone's eyes just to feel seen
Behind your make up nobody knows who you even are
Who do you think that you areIf I could write you a song to make you fall in love
I would already have you up under my arm
I used up all my tricks, I hope that you like this
But, you probably won't, you think you're cooler than me
You got designer shades just to hide your face
And you wear 'em around like you're cooler than me
And you never say hey, or remember my name
And it's probably 'cause you think you're cooler than meYou got your high brow, switchin' your walk
And you don't even look when you pass by
But you don't know the way that you look
When your steps make that much noiseShh, I got you all figured out
You need everyone's eyes just to feel seen
Behind your make up nobody knows who you even are
Who do you think that you are'Cause it's your scene, (it's your scene)
I got no doubt
We all see
You got your head in the cloudsIf I could write you a song to make you fall in love
I would already have you up under my arm
I used up all my tricks, I hope that you like this
But, you probably won't, you think you're cooler than me
You got designer shades just to hide your face
And you wear 'em around like you're cooler than me
And you never say hey, or remember my name
And it's probably 'cause you think you're cooler than me
