

# What's He Got?

Graham Coxon

Saw you on the corner by the cash machine  
You made the cutest couple that I ever did see  
You're hugging and you're kissing and I'm hearing what you're saying  
Brit and your juncture's not the place for me  
Brit and your juncture's not the place for me

what's he got that I haven't got?  
Where's he been that I've never seen?  
I can't bear to see you walking hand in hand  
He's kinda cool but I don't understand  
What in the world has he got?  
I guess he's just better looking than me

Got a brown leather jacket on ad bright blue jeans  
Wears a pair of black Beatle boots just like me  
He's got a lot of hair on his face and his head  
So why'd I get my haircut so short instead?  
So why'd I get my haircut so short instead

what's he got that I haven't got?  
Where's he been that I've never seen?  
I can't bear to see you walking hand in hand  
He's kinda cute but I don't understand  
What in the world has he got?  
I guess he's just better looking than me

what's he got that I haven't got?  
Where's he been that I've never seen?  
I can't bear to see you walking hand in hand  
He's kinda cool but I don't understand  
What in the world has he got?  
I guess he's just better looking than me

what's he got that I haven't got?  
Where's he been that I've never seen?  
I can't stand to see you walking hand in hand  
He's really cool but I don't understand  
What in the world has he got?  
I guess he's just better looking than me
