

# Secrets of the Heart

## Early Grey

### Verse 1

You never thought that it would turn out like this someday  
Your shiny eyes are slowly fading with all your shame  
There were so many arms around you but no one held your hand  
And when you were full of love and pain no one really cared

### Bridge 1

So you've been all alone  
Who you gonna blame it on?

### Chorus 1

Secrets of the heart  
Tear your world apart  
Playin' with your life but you can't see

Everything went wrong  
World turned upside down  
All your life's a game you just can't win

### Chorus ending

It doesn't have to be this way  
But your pain is here to stay  
With secrets of the heart

Secrets of the heart... Oh yeah!

### Verse 2

You never thought it would be easy to draw the line  
You'll never know what it feels like to be alive  
The whisper of wind reminds you girl that you once loved  
But now all the memories of past make you feel so cold

### Bridge 2

Though you've been fool in love  
You are comin' back for more

### Chorus 1

Secrets of the heart  
Tear your world apart

Playin' with your life but you can't see

Everything went wrong  
World turned upside down  
All your life's a game you just can't win

Chorus 2

Secrets of the heart  
Tear your world apart  
Playin' with your life when you can't see

Everything went wrong  
You will never know  
Just how good your life could really be

Bridge 3

You can't keep holding on  
There's no hope behind that door

Secrets of the heart!

Chorus 1

Secrets of the heart  
Tear your world apart  
Playin' with your life but you can't see

Everything went wrong  
World turned upside down  
All your life's a game you just can't win

Secrets of the heart (several times)
