

Come and Behold Him

[John Chisum](#)

Come and behold Him
Come see His glory
Come with an honest heart
All of His beauty
His light will burn a flame on the darkness we know
Come and behold Him, Come and behold Him
Come with an honest heart
Come and behold Him
Wait down before Him
Come with an honest heart
See how all He is
Come and behold Him
Come see His mercy
Come find His tenderness reaching to you
Just like a mirror shows a reflection
His Word and Spirt come
Now reflecting His love Come and behold Him, Come and behold Him
Come with an honest heart
Come and behold Him
Wait down before Him
Come with an honest heart Come and behold Him, Come and behold Him
Come with an honest heart
Come and behold Him
Wait down before Him
Come with an honest heart
Come with an honest heart
Come and behold Him, Come and behold behold Him
