

# Trap Door

Miles Benjamin Anthony Robinson

You say you're a minute from the deep end  
You cut cold the courtesy it's sink or swim now  
and your body's aching for a breath I'll give it to you  
With a trap door to take in of all of this

Come away come away now  
You won't stand from a fall  
Hear me say it  
Come away come away now  
'Cause your too close to me to come

I've seen the foolish shame the ways  
You just kept crying with his own surprises  
And your Trojan horse is big enough to save them all  
And you're not a foolish one at all

Come away come away now  
You won't stand from a fall  
Can you hear me say it  
Come away come away now  
'Cause your too close to me to come

Yes you're too close

Lost the feeling you know  
You're the victim of  
Kick start the clothes let it go  
You don't need them  
Only flesh blood and bones I'm the same old guy

If I were to know today

Come away come away now  
You won't stand from a fall  
Hear me say it  
Come away come away now  
'Cause your too close now

Ooh, ooh  
Come away

Oh
