

Paying Dues

Richie Kotzen

Maybe I'm just wasting time
Maybe I'm paying dues
Maybe I'm just one more lie
Maybe I'm just doing what I'm meant to do I been locked up at the county jail
Been called a loser I should cut my hair
Been called unfaithful and I don't care
I've done it all but I'm doing nothing Maybe I'm just wasting time
Maybe I'm just paying dues
Maybe I'm just one more lie
Maybe I'm just doing what I'm meant to do I've been put down but my skin is thick
I may be small but my hands are quick
I lay in the cut and I'm in the mix
I'm all lit up I'm ready for you Maybe I'm just wasting time
Maybe I'm just paying dues
Maybe I'm just one more lie
Maybe I'm just doing what I'm meant to do [Bass solo] [Drums solo] [Guitar solo] I made a fortune and I lost it
too
And I've been loved and I've been used
I'm undecided but I see the truth
I aint had enough till I had you Maybe I'm just wasting time
Maybe I'm just paying dues
Maybe I'm just one more lie
Maybe I'm just doing what I'm meant to do I'm paying dues
Maybe I'm just wasting time
Maybe I'm paying dues
I got nothing to lose, yeah
Maybe I'm paying dues
