Get It Right

Sarah Connor

Let's get this thing to workin'
There's no reason to wait
The time is now to start
We all could use the change
Hey, from right now till the dawn
We're gonna really carry on
We won't stop
Not until we get it right
Out to be on the one
It's not over till is done
It's gonna be so good
When we
Got to be willing to try
Even if we get up early
And we work over time
Do it till we get it right
It's an incredible high
There's no limit to what's in it
It's yours and mine
So let's do it till we get it, get it right
Till we get it (Make it shout, toss it,
Turn you inside out), ho... oh...
Do it till we get it (Stay with it and get it right)
Do it till we get it (Never stop,
We could take it to the top), oh... oh...
Do it till we get it (Take the time, get it right)
I know just how to do it
To make it really nice
There's no mystery to it
Here's how you get it right
Well, you make it scream, you make it shout
Toss it, turn it inside out
Never quit, stay with it
And get it right
Don't give up, never stop
We can take it to the top
If we just take the time
To get it right
Oh... oh... don't give up now

We can make it, we can take it
Right to the top
Hey... ey... and never stop
Honey, let's reach for the sky

If we keep believin'
We can never go too high
Yeah, let's give it a try
Come on, let's keep reaching up
Believe it if it lasts forever
It's never too much
No way to get enough
Do it till we get it right
Even if it taken from mornin'
Till way into the night
We've got to do it till we get it, get it right
Till we get it (Make it shout, toss it,
Turn you inside out), oh... oh...
Do it till we get it (Stay with it and get it right)
Do it till we get it (Never stop,
We could take it to the top), oh... oh...
Do it till we get it (Take the time, get it right)
Do it till we (Get it), get it right, do it, do it, do it
Do it till we get it (Get it), baby, (Get it right)
Do it till we (Get it), baby, yeah, yeah, yeah, yeah
Do it till we (Get it), get it (Get it right) c'mon
Get it right, get it right
(Do it till you get it) Do it till you get it
Till you get it, get it right
(Do it till you get it) Do it till you get it
Till you get it, get it right
(Do it till you get it) Do it till you get it
Till you get it, get it right
(Do it till you get it) Do it till you get it
Till you get it, get it right
Till we get it (Make it shout, toss it,
Turn you inside out), get it
Do it till we get it (Stay with it and get it right)
Do it till we get it (Never stop,
We can take it to the top)
Do it till we get it (Take the time get it right)
And get it right
Do it till you get it (Get it),
Till you get it, get it right
Do it till you get it (Get it),

Baby, baby, baby, yeah, yeah
Do it till we (Get it),
Woah, ho, ho, ho, yeah, yeah
Do it till you get it (Get it)
Till you get it, (get it right)
Till you
