

# That Don't Bother Me!

Catherine Britt

Well, I don't mind if I ain't got time  
'Cause that don't bother me  
I'm a hillbilly girl in a hillbilly world  
And that don't bother me  
Well I ain't that bright  
But I know what's right  
From mistakes and my colour TV  
Well I don't care if I lose my hair  
'Cause I'm living happily. Well the sun don't shine in the wintertime  
But that don't bother me  
And the car won't go if you drive too slow  
But that don't bother me  
And your heart won't ache  
If you're here to take  
All this love from me  
Well they don't give a damn  
'Bout a worried man  
As far as I can see CHORUS Well it ain't this town makes the world go round  
That don't bother me  
'Cause the time's too slow when I'm on the go  
But that don't bother me  
And the dirty old road that nobody knows  
Feels like home to me  
Well I might not stay  
But this town has a way  
Of catching up to me.
