## Roxy Music

You've got me girl on the run around, run around  
Got me all around town  
You've got me girl on the run around  
And it's getting me down, getting me down Lady if you want to find a lover then you look no further  
For I'm gonna be your only  
Searching at the start of the season and my only reason  
Is that I'll get to you I'll find some way of connection, hiding my intention  
Then I'll move up close to you  
I'll use you and I'll confuse you and then I'll lose you  
Still you won't suspect me
