

Cast My Cares

Finding Favour

When fear feels bigger than my faith
And struggles steals my breath away
When my back pressed up against the wall
With the weight of my worries stacked up tall
You're strong enough to hold it all

I will cast my cares on you
You're the anchor of my hope
The only one who's in control
I will cast my cares on you
I'll trade the troubles of this world
For your peace inside my soul

This war's not what I would have chosen
But you see the future no one knows yet
And you're still good when I can't
See the working of your hands
You're holding it all

I will cast my cares on you
You're the anchor of my hope
The only one who's in control
I will cast my cares on you
I'll trade the troubles of this world
For your peace inside my soul

I'm finding there's freedom,
When I lay it all on your shoulders

Cast my cares I will, cast my cares I will, cast my cares on you
Cast my cares I will, cast my cares I will, cast my cares on you
Cast my cares I will, cast my cares I will, cast my cares on you

I will cast my cares on you
You're the anchor of my hope
The only one who's in control
I will cast my cares on you
I'll trade the troubles of this world
For your peace inside my soul

I will cast my cares on you
You're the anchor of my hope
The only one who's in control
I will cast my cares on you
I'll trade the troubles of this world
For your peace inside my soul

Cast my cares I will, cast my cares I will, cast my cares on you
