

# Black Coffee (Version 2)

## All Saints

Night Swimming  
Beach walking  
Always silent  
Never talking  
Then you call my name  
And I know inside I love you Sail away  
I miss you more  
Until you see the shore  
There I will be waiting  
Anticipating Each moment is new  
And breeds a moment  
Each moment is cool  
And breeds a moment I wouldn't want to be  
Anywhere else but... here  
I wouldn't want to change  
Anything at all  
(Anything oh I...) I wouldn't want to take  
Everything out on... you  
Though I know I do  
(Although I know I do)  
Everytime I fall Day dreaming  
Chain smoking  
Always laughin  
Always jokin  
I remain the same  
Did I tell you that I love you Brush your teeth  
And pour a cup of black coffee out  
I love to watch you do that every day  
The little things that you do Each moment is new  
And breeds a moment  
Each moment is cool  
And breeds a moment I wouldn't want to be  
Anywhere else but... here  
I wouldn't want to change  
Anything at all  
(Anything oh I...) I wouldn't want to take  
Everything out on... you  
Though I know I do  
(Although I know I do)

Everytime I fallHmmmmmm  
Hmmmmmm  
Each moment is cool  
And breeds a momentI wouldn't want to be  
Anywhere else but... here  
I wouldn't want to change  
Anything at all  
(Anything oh I...)I wouldn't want to take  
Everything out on... you

(Although I know I do)  
Everytime I fall  
(Everytime I fall)  
(Everytime I fall)I wouldn't want to be  
Anywhere else but... here
