## **Second Love**

## **Pain of Salvation**

Day after day

Nothing's changed you're far away

But I need you to know that I can't sleep anymore

By the nights

Night after night

The stars are shining so bright

Though our pain is larger than the universe tonightI want you to know I can't sleep anymore

By the nights

By the nights

Day after day I want you to say

That you're mine

You are mineYear after year

Tear after tear

I feel like my heart will break in two

You came like a wind I couldn't defend

You cut my heart so deeply

The scars won't mendI'll never believe in love anymore

After this

After this

Can never change or rearrange

What we lost

What we lost[Gildenlow]Time after time

I am wasting my time

Living in a past where I was strong

But now I am gone

I leave no shadow when I'm alone

I'll stay forever in my dreams where you are nearWant you to know I can't sleep anymore

By the nights

By the nights

Day after day I want you to say

That you're mine

You are mine
