

Devil Inside (12" mix)

INXS

Here come the woman
With the look in her eye
Raised on leather
With flesh on her mind Words as weapons
Sharper than knives
Makes you wonder how the other half die
How the other half die
Makes you wonder, wonder, wonder Here come the man with the look in his eye
Fed on nothing but full of pride
Look at them go, look at them kick
Makes you wonder how the other half live Devil inside
The devil inside
Every single one of us
The devil inside Devil inside
Every single one of us
The devil inside Here come the world
With the look in its eye
Future uncertain but certainly slight
Look at the faces listen to the bells
It's hard to believe we need a place called hell
A place called hell The devil inside
The devil inside
Every single one of us
The devil inside Devil inside
The devil inside
Every single one of us Here comes the woman
With the look in her eye
She's raised on leather
With flesh on her mind
Words are weapons sharper than knives
Makes you wonder how the other half die Devil inside
The devil inside
Every single one of us
The devil inside Devil inside
Devil inside
Every single one of us
The devil inside Devil inside
Devil inside
Every single one of us

The devil inside Devil inside
Devil inside
Every single one of us
The devil inside The devil inside
Yeah, yeah, yeah
The devil inside
Yeah, yeah, yeah
