

Another Pot O' Tea

[Anne Murray](#)

Put on another pot o' tea
'Cause I'm in love with the Irish accent to your story
And I need someone to help me Well they say that now you don't talk straight
And that of late it's been my lot to be afraid
To remember you by anything
But memories I already keep So put another pot o' tea
'Cause I'm love with the Irish accent to your story
And now I need some sympathy It's harder when it takes so long to leave
The table where we all learned to laugh and learned to grieve
Over the pain that came so close to you
It comes so close to me today
